Abdullah Al Azad

CSE STUDENT | COMPETITIVE PROGRAMMER | FULL-STACK DEVELOPER | TEACHING ASSISTANT

Motivated CSE student with a strong foundation in web development (MERN stack) and programming languages (C++, Python). Passionate about problem-solving to create innovative solutions and actively participating in competitive programming platforms (Codeforces, CodeChef, LeetCode) to sharpen my skills. Currently working on web development and machine learning projects to gain practical experience. Seeking opportunities to apply my technical expertise to real-world challenges and contribute to cutting-edge projects.
